

# Leddy XL

## Day & Night

AQUAEL

### Make room for your passion

The Leddy XL Set was created for enthusiasts who just want more. This remarkable aquarium is now **taller and more spacious** than the standard Leddy model giving you an increase of 40% volume whilst taking no extra floor space.

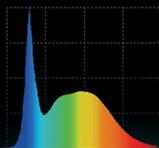

The set includes an aquarium with a hood, **filter, heater** and **our brand new Day & Night lighting**.

Again for those who just want more our **DubLED** hanger allows you to add additional lighting to double the output. Leddy XL is now suitable even **for the most advanced aquarists** who wish to create a professional aquascape.

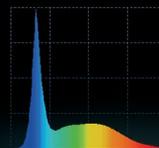

## DAY

LIGHT SPECTRUM: SUNNY 6500K 650 lm

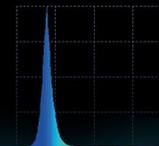

## DAYBREAK

LIGHT SPECTRUM: SUNNY + BLUE

## NIGHT

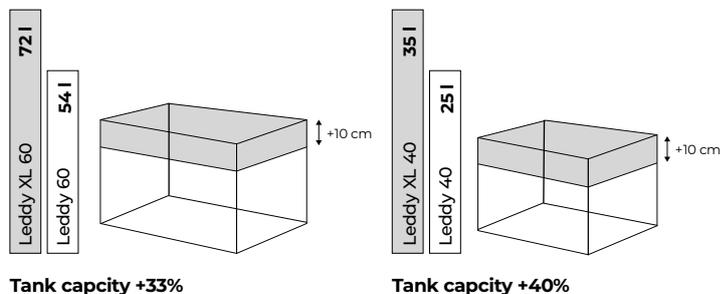

LIGHT SPECTRUM: BLUE
